

Rieck Services is seeking talented and team-focused HVAC technicians that seriously want to expand their knowledge beyond the ordinary.

Rieck Services is rich in history, producing some of the finest HVAC technicians in the area. Topping it with 125 years in business makes this opportunity worth your time to check it out.

Our average technician tenure is 17 years. That speaks highly of the loyalty and respect we have for one another.

The M.E.S. Service Tech description is based upon the following skills and conditions:

- Heating service up to 2,000,000 BTU input on boilers and burners
- Air conditioning service and repair on systems up to 50 tons
- Refrigeration service and repair on systems up to 50 tons
- Preventative maintenance on systems listed above
- Minimum of 5-years related experience
- Valid and insurable driving record
- Pre-employment drug screening and background check
- Customer focused
- Must have personality and interact well with people

Position includes paid vacation, holiday pay, retirement and health contribution from employer.

Please contact us today! 937-274-1987 or [info@rieckservices.com](mailto:info@rieckservices.com)

**Additional Proficiency Qualifications:**

- Valid Driver's License
- Candidates must also complete a satisfactory behavioral profile assessment, drug screen and a satisfactory background check.

Rieck Services is an Equal Opportunity Employer.
